

Class Updates - 21.07.2022

Butterflies Update

We cannot believe that this is the last class update for our current Reception class.

The year seems to have gone so quickly, but the children have learnt so much and we are very proud with all the progress the children have made, We know that they will continue to make lots of progress in Year 1 and beyond!

Butterflies have been a wonderful class to teach. The children have all demonstrated our school values and are particularly compassionate, respectful, friendly, well behaved eager learners!

This week was a chance to say a sad goodbye to our Year 6 Buddies, to meet the Year 1 teachers and enjoy a Splash Party with Year 1 & Year 2.

We hope that you have enjoyed this year as much as us.

The children have made some very special memories in their first year of school and if you look at all the past Class Updates on the website, you can see just how much we have done.

Wishing you all a wonderful summer!

Mrs Jeewan & Miss Hunter

Year 1 Ladybirds Update

We can't believe how fast this year has gone! We have enjoyed every second with you Lady birds and we are all very proud of how hard you have worked this year! You have all grown in confidence and become enthusiastic and resilient learners! We hope you have a fun summer with your families. Stay safe and see you in September!

Miss Nicholson & Mrs Potter & Year 1 Team

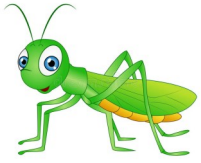

Year 2 Caterpillars Update

Mr Pike & Year 2 Team

What a great year it has been Caterpillars. It has been such a joy to see you grow into confident, inquisitive, hard-working, eager learners. I am super proud of each of you for all you have achieved this year. I will miss you all and wish you all the best for next year. Have a great summer holiday!

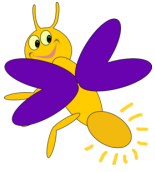

Year 3 Grasshoppers Update

What a busy (and warm!) final week in Year 3! Grasshoppers enjoyed meeting their new teacher on Monday and we had a fantastic end of year treat playing at the park in Bridge End Gardens on Wednesday afternoon. I have absolutely loved teaching all of you this year and will miss you all as you head into Year 4! I am so proud of everything that you have achieved this year. Thank you for being such a wonderful class and good luck next year! Thank you for all of the lovely presents too. Have a brilliant summer and enjoy you very well deserved break!

Miss Allin & Year 3 Team

Year 4 Fireflies Update

Fireflies,

It has been a busy last week in Fireflies! We have been busy tidying and sorting out all ready for the next academic year. For the children's reward, they wanted to go to Bridge End Gardens and play- luckily it was a bit cooler in temperature yesterday! Finally, I have loved teaching you all and I am very proud of what you have all achieved this year. I will miss having you all in my class and wish you all the best for Year 5! Have an amazing summer!

P.S Thank you for all of my amazing and thoughtful gifts!

Mr Brown & Year 4 team.

Year 5 Busybees Update

Bees have had a lovely last week, busy tidying and clearing ready for the new academic year but also having lots of fun preparing and performing their mini plays. The Cheetah and the Sloth were voted the best by everyone—very well done! Lots of budding actors in our class, showing brilliant improvisation and creativity. They have also showed great patience and kindness by sharing our lovely cool classroom with younger year groups during the hottest days. Amelie and Leo have been fantastic helpers, joining us from SWCHS for their work experience—the kids will really miss them!

Have the best summer everyone!

Mrs McInnes, Mrs Shackleton & the Year 5 team

Year 6 Dragonflies Update

The last week was fun, hectic and emotional for the Dragonflies! They had a great time in Reception class during moving up day and loved getting their shirts signed. They also had a match against the staff in rounders! Even though they were soundly beaten, they put up a great fight and worked really well as a team (it just wasn't enough to overcome the talent present in the staff squad, unfortunately...).

I hope all the children go off with fond memories of St Mary's, and that they take all the advantage of all that's on offer in their high schools, wherever they're going. I'd like to say one last big goodbye from everyone here at St Mary's, and especially from both myself and Mrs Smith, who've had the pleasure of teaching them for the last two years.

Goodbye Dragonflies—have a wonderful summer!

Mr Clarke & the Year 6 Team
