Parent/Carer WhatsApp Groups

To aid communication between parents and carers we are aware that many of our classes or groups of parents have set up Class WhatsApp groups, which we must stress **operate independently of the school**. We know these groups can offer a great way to support and communicate with each other about class and school-related matters.

We completely understand that parents and carers find WhatsApp groups a really useful way of communicating with and supporting each other - especially over a busy academic year. As you will know, the messages in these WhatsApp groups come from parents and carers in their personal capacity. Please note that the school **does not post directly on any WhatsApp parent/carers groups**.

At St Mary's, we strongly believe it is important to work in close partnership with parents and carers to support their child's learning and development and to maintain a safe, respectful and inclusive environment for pupils, staff and parents / carers. To help us do this, we set clear expectations and guidelines on behaviour for all members of our community (which includes staff, pupils and parents/carers and governors); details regarding this can be found in the Respect Policy on our school Website: www.stmaryssw.org.uk/policies/

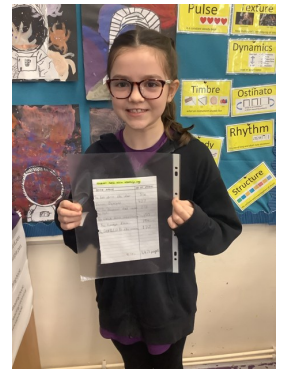

Recently, the school has been made (often via screenshots) of some occasions when parents and carers have posted unkind comments, including about St Mary's pupils and staff on these WhatsApp groups. Please may we politely ask that if you have something to discuss with the school that you speak to us directly, either via your class teacher or the school office, as there may be other contextual information behind matters which parents / carers may be unaware of. We would therefore kindly ask that adults model appropriate behaviour for our pupils at all times—I am sure that you will agree that the behaviour we demonstrate to our children will be the behaviour that they demonstrate to others when they are old enough to own their own devices.

Thank you for your support in this matter.

Amazing achievement— Eco Garden fundraising

During half term, Nuala (from Busybee class) raised money for the school's Eco-garden by doing a Read-a-thon. She was doing this she said, 'because sometimes people want to do their part in the fight against climate change but can't due to the cost and I don't think it's fair for that to be the case!' Nuala raised a whopping £142.55 for the eco-garden!

Well done Nuala!

House triumphs!

These are the results for this week: in joint 1st place with 40 points was Fire and Water Houses and in joint 2nd place with 30 points was Earth and Air Houses.

Well done everybody!

Parent/Carers Consultation Meetings (11th March and 13th March)

Appointments for the parent consultations are available to book from **Monday 3rd March** via our Parent's Evening System which can be found at <https://stmarys.schoolcloud.co.uk/>.

Please arrive promptly for your meeting. The meetings will be face to face and held in the main school hall from 3.30pm - 6.30pm, with each family having the opportunity to make a 10 minute appointment per child. Please book your appointment before the **booking system closes on Monday 10th March at 12.00pm.**

If your child has already had a One Plan meeting then there is no requirement to book an appointment, as you would have already had your 20 minute meeting.

In order to log on securely parents/carers will need to put in their name as given to the school, your child's given name (or chosen first name as given to the office) and your child's date of birth as an 8 digit number e.g. 25/09/2008. If you need any assistance with booking your appointment, please contact the school office on 01799 523384.
