

English

Sentence building (finger spaces, capital letter, full stops), phonetic application, rehearsing sentence, write and check approach, conjunctions, letter formation.

Adventure stories

Postcard writing

Writing lists and instructions

Year 1 Summer Term

Science

Plants: We will look at different types of plant from around the world. What do plants need to grow? Can you name the parts of a plant? We will also grow and closely observe plants in the classroom.

Seasonal Changes: observing the changes across the four seasons of the year, focussing on Spring and Summer.

Enrichment

Go on an adventure with your family in your local area. Choose a different walk and explore somewhere you have never been before!

Travel the world on Google Earth

Go on an imaginary journey at home! Make a ship out of cushions and sail the blanket seas! Make sure you look out for sea monsters!

Research some famous explorers. Who do you find inspiring? Where did they go? How did they get there?
