Reading focus

Year 1 Autumn Term

Science

Animals including Humans: My Body, My Senses

Seasonal Changes: observing the changes across the four seasons of the year, focussing on Autumn.

Everyday Materials: distinguishing between an object and the material it's made from, naming everyday materials and describing the properties of the materials.

Enrichment

Look through some old family photographs together and discuss members of your immediate and extended families.

Go on a walk around your local area and take photos of any places of interest.

Keep a well being journal with your child, recording their "Wow" moments.

We will be taking local walks and visiting local areas of interest as part of the topic.

French

Basic phrases, numbers, colours taught through songs, games and rhymes and simple storytelling.

Art and DT

(Art) Self portraits

(Art) Make your own mirror

(Art) City at Night

(DT) Christmas decorations

PSHCE

Beginning and belonging – circles of trust, new friends, new starts .

Zones of Regulation: discussing our feelings.

Mindfulness and meditation activities.

Music

Using our voices expressively.

Identifying how sounds are made on instruments.

Creating a simple rhythmic pattern.

Geography and History

Local geography. What is it like here? Using and making maps of the classroom and the school grounds.

How am I making History? Placing events on a timeline. Describing changes from the past to now.
