

Science—Evolution

Questions:

Did we come from monkeys?

Why are animals in so many different shapes and sizes?

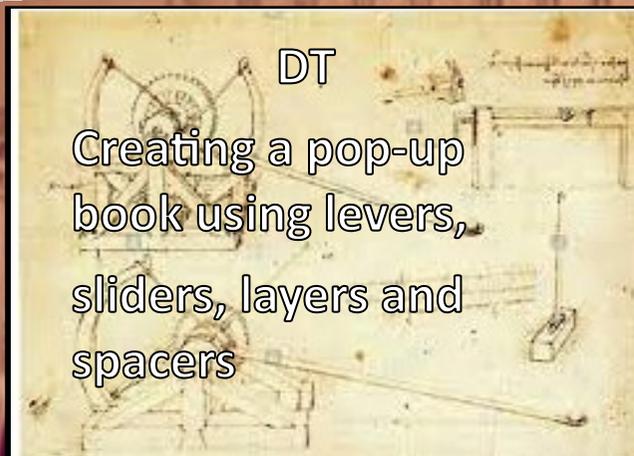

Who came up with the theory of evolution?

History

We will be looking at how medical methods and ideas have changed since prehistoric era until today.

Some of the time periods we will focus on will be:

- Prehistoric,
- Ancient World (Egyptian, Greek, Roman)
- Medieval Europe
- Industrial Revolution
- Medicine post-penicillin

Year 6 Topic Medicine through Time!

Enrichment

To explore our topic further, you could:

- Visit the Kensington Science Museum's History of Medicine section!
- Go on BBC bitesize to learn more: <https://www.bbc.co.uk/teach/class-clips-video/medicine-through-time/zdcy8xs>
- Go to library and try to find some books like these:

Play the Disease Controller game in Medicine and Communities

PSHE

Myself and my relationships
- Managing Change

RE

- The incarnation
- Christmas!

Computing -

Programming a story using Scratch

Music

Writing our own music using notation
