1. Definition

'Looked After' is a term that refers to children for whom the Local Authority is sharing parental responsibility. This can happen either with parental agreement or when a Court makes a Care Order. The child may be living with foster carers, in a residential unit, with family members or sometimes with their parents. These children are therefore subject to corporate parenting.

'Previously looked-after' children are those who are no longer looked after by a local authority in England and Wales because they are the subject of an adoption, special guardianship or child arrangements order; or they were adopted from 'state care' outside England and Wales.

This policy includes requirements set out in "Statutory guidance on the duty on local authorities to promote the educational achievement of children under section 52 of the Children Act 2004" and associated guidance on the education of Looked After Children.

Designated Lead: Mrs Louise Robinson

St Mary's Church of England School recognises that all pupils are entitled to a balanced, broad-based curriculum and aims to promote the educational achievement and welfare of pupils in public care. The school and the governing body endorse the Essex County Council policy and welcomes PLAC pupils as well as LAC who may be looked after by our local authority or those who may be in the care of another authority but living in Saffron Walden.

St Mary's Church of England School's approach to encouraging and supporting the educational achievement of Looked After Children & Previously Looked After Children is based on the following principles:

- Ensuring an appropriately trained Designated Teacher is appointed, who will be responsible for all Looked After children.
- All Looked After Children & Previously Looked After Children will have a Personal Education Plan (PEP) drawn up between the school, the child, and the child's social worker, which will identify the child's individual needs and the support they require.
- Having high expectations for the child and ensuring equal access to a balanced and broadly based education.
- Recording, monitoring, and improving the academic achievement of the child in addition to their health and wellbeing.
- Achieving stability and continuity.
- Prioritising reduction in exclusions and promoting attendance.
- Promoting inclusion through challenging and changing attitudes.
- Recording, monitoring, and improving the academic achievement of the child in addition to their health and wellbeing.
- Promoting good communication between all those involved in the child's life and listening to the child.
- Maintaining and respecting the child's confidentiality wherever possible.
- Ensuring staff awareness of, and sensitivity to, the difficulties and educational disadvantages of Looked After Children and Previously Looked After Children.

2. Rationale

Many children and young people who are in care have suffered abuse or neglect. Despite having as broad a range of abilities as their peers, Looked After Children are particularly vulnerable to underachievement. Nationally, Looked After Children (LAC) & Previously Looked After Children (PLAC) significantly underachieve and are at greater risk of exclusion compared with their peers. Their academic and social progress is likely to be affected by their experiences, and compounded by instability in their personal circumstances. 75% of Looked After children leave education with no formal qualifications. Only 12% go onto further education compared with 68% of the general population. Helping LAC & PLAC pupils succeed and providing a better future for them is a key priority in our school.

St Mary's School recognises that LAC and PLAC pupils can experience specific and significant disadvantage within a school setting, and is committed to ensuring that they reach their potential in all areas. We are aware that these pupils may have specific difficulties in transport and attendance, doing homework, getting parental consent for activities, obtaining funding for extra activities, obtaining correct uniform and equipment, as well as stigma about their circumstances. St Mary's School recognises that Looked After Children and Previously Looked After Children may have very specific needs and may be coping with trauma, abuse or rejection, and are likely to experience personal distress and uncertainty.

St Mary's School believes that the educational experience of all children should be positive and powerful

and aims to provide a learning environment in which every Looked After and Previously Looked After Child can be successful. We believe that this school has a major part to play in ensuring that LAC/PLAC are able to be healthy, stay safe, enjoy, achieve, make a positive contribution to society and achieve economic wellbeing.

3. Responsibility of the Head teacher

- Identify a Designated Teacher for Looked After/Previously Looked After Children, whose role is set out below.

5. The role of the Designated Teacher

- Ensure a welcome and smooth induction for the child and their carer, using the Personal Education Plan to plan for that transition in consultation with the child's social worker, or in the case of PLAC pupils the birth or adoptive parents and arrangements are put in place to ensure their needs identified and met.
- This may include providing basic equipment and resources if necessary and providing appropriate support in meeting uniform requirements if needed (through specific budgetary arrangements agreed by

the Governing Board).

- Ensure that a Personal Education Plan is completed with the child, the social worker, the foster carer and any other relevant people, at least two weeks before the Care Plan reviews.
- Maintaining an up-to-date record of the Looked After Children in school, including those in the care of other authorities and ensuring all necessary information is passed to other staff as required.
- Ensure that each Looked After Child and Previously Looked After Child has an identified member of staff that they can talk to. This need not be the Designated Teacher, but should be based on the child's own wishes.

- Respond promptly to the Designated Teacher's requests for information.
- Work to enable Looked After Children and Previously Looked After Children to achieve stability and success within school.
- Promote the self-esteem of all Looked After Children and Previously Looked After Children.
- Have an understanding of the key issues that affect the learning of Looked After Children and Previously Looked After Children.
- Be aware that 60% of Looked After Children and Previously Looked After Children say they are bullied so work to prevent bullying in line with the School's policy.

7.Confidentiality

Information on looked after children will be shared with school staff on a "need to know" basis. The

Designated Teacher will discuss what information is shared with which school staff at the PEP meeting. Once this has been agreed with the social worker, carer, young person, and other parties, complete confidentiality is to be maintained.

8. Record keeping and information sharing

The Designated Teacher will keep an up-to-date record of Looked After Children and Previously Looked After Children and Young People in school and will ensure that relevant information is made known to appropriate staff. A Personal Education Plan will be initiated within 20 school days of the Looked After Child/Previously Looked After Child or Young Person starting at the school or being taken into care and will be reviewed regularly and as necessary and appropriate to meet the needs of the LAC/PLAC/YP. The PEP will provide a regular opportunity to review progress, note any concerns and ensure that all relevant parties are informed accordingly. Copies of reports and appropriate documentation will be sent to authorised carers and agencies involved with the child as well as any receiving school at point of transition. It is vital that the Looked After Child, Previously Looked After Child, or Young Person is aware of information being recorded, in what circumstances and who will have access to it. How this is shared with them will depend on their age and level of understanding.

9. Exclusions/Suspensions

St Mary's School recognises that Looked After Children and Previously Looked After Child are particularly vulnerable to exclusions. Where a LAC/PLAC is at risk of exclusion the school will try every practicable means to maintain the child in school. A multi-professional meeting will be arranged, bringing together all those involved with the young person to discuss strategies to minimise the risk of exclusion. The child or young person's Personal Education Plan will reflect strategies to support the child and where relevant those employed in the Pastoral Support Plan. All relevant measures and resources will be considered to provide support and provide alternative educational packages to prevent an exclusion from happening.

Please refer to the school's Behaviour Policy & Exclusion & Suspensions Policy for more information.

10. Staff development and training

Arrangements will be made to ensure that the Designated Teacher is kept up to date with developments relating to the education and attainment of Looked After Children. Other staff will receive relevant training and support to enable them to work sympathetically and productively with Looked After Children, including those who are underachieving or at risk of underachieving or who have additional needs. These may include EAL, being Gifted and Talented or having learning or physical needs. Teachers with responsibility for Special Educational Needs provision and for children who are Gifted and Talented will be informed of those Looked After Children who have particular gifts, talents or learning needs and will work with them appropriately.

11. Support and resources

The Governing body will ensure that the school allocates resources, including professional time and expertise, to support appropriate provision for Looked After Children, meeting the objectives set out in this policy - this will include the use of funds, such as Pupil Premium funding.

Pupil Premium Grant (PPG)

Pupil Premium Grant for LAC is provided by the Local Authority to assist the school with ensuring that children meet the targets outlined within their PEP. It can be used to support:

- Academic achievement and progress.
- Wider achievement e.g. in an area in which the child is gifted and talented.
- Attendance.

- Inclusion [by reducing internal and external exclusion].
- Social skills.
- Transition into the next key stage and/or a new learning provider.

Where further funding is needed for support, advice from the Virtual School will be sought.

Pupil Premium Plus (PP+)

While the PP+ for PLAC is not a 'personal budget,' should a PLAC require support over and above that which is provided for any other child, the PP+ will be used to fund this.

PP+ for PLAC is also 'pooled' and used to provide additional support and services to raise the attainment of PLAC within school as outlined by our online Pupil Premium Report and as part of a 3-year Pupil Premium Strategy, for instance:

- Attachment Training for all staff
- Purchasing LAC SALT screening tool to use with PLAC who start school
- One to one tuition
- Mentoring programmes

For further information please see the school's Pupil Premium Strategy (available on the school website).

12. Home-school liaison

The school recognises the value of a close working relationship between home and school and will work towards developing a strong partnership with parents/carers and care workers to enable Looked After Children to achieve their potential. Open evenings as well as PEP and Care Plan review meetings provide opportunities to continue to develop this partnership working

13. Admission arrangements

We recognise that due to care arrangements LAC/PLAC may enter school mid-term and that it is important that they are given a positive welcome and where appropriate additional support and pre-entry visits to help them settle. The school recognises that Looked After children are an 'excepted group' and will prioritise Looked After Children in the school's oversubscription criteria following the DfE Admissions Code (Admissions of Looked After Children (England) Regulations 2006).

14. Links with other agencies

The school recognises the value of working together with other agencies and organisations and will work closely with colleagues from services involved with the Looked After Child, Previously Looked After Child or Young Person including Social Care teams; Educational Psychologist; Health Services, CAMHS; Youth Offending Teams.

15. Racial Equality & Equal Opportunities Statement

All children have equal access and inclusive rights to the curriculum regardless of their gender, race, disability or ability. We plan work that is differentiated for the performance of all groups and individuals. St Mary's School is committed to creating a positive climate that will enable everyone to work free from racial intimidation and harassment and to achieve their full potential.
